

TERMS OF BUSINESS

These Terms of Business ("**Terms**") together with any Schedule(s) and transaction specific agreements sets out the terms of the contract between you and us. It is, therefore, very much in your interests to read it carefully. Please let us know as soon as possible if there is anything which you do not understand.

1. GENERAL INFORMATION

We, Atonline Limited ("**Atonline**"), are regulated and authorised to provide investment services by the Cyprus Securities and Exchange Commission ("CySEC"), under license reference: CIF 104/09. Our registered office address is 5 Themistokli Dervi Street, ELENION BUILDING, 2nd floor, 1066 Nicosia, Cyprus.

In executing transactions for you, we may in our absolute discretion deal with you as principal or agent. Your orders will be executed in accordance with our order execution policy (as amended from time to time). By conducting business with us under these Terms, you consent to your transactions being handled in accordance with our order execution policy. We shall treat you as a "Professional Client" or "Eligible Counterparty" for the purposes of the Law Regulating Investment Services, Investment Activities and Regulated Markets of 2007, as amended from time to time, and regulations promulgated under it ("**Cyprus Rules**") that comprise the laws and regulations governing the Cyprus Capital Market.

You act as principal and not as an agent (or trustee) on behalf of someone else.

If you are not acting in a principal capacity, but as an agent, Atonline will nevertheless treat you as our client to whom these Terms are intended to apply.

Re-categorisation

Under the Markets in Financial Instruments Directive 2004/39/EC ("**MiFID**") there is scope for certain clients to be treated as falling within a different category i.e. to increase or decrease the levels of regulatory protections afforded.

Specifically, MiFID provides flexibility to move between categories, provided certain criteria are met. Professional Clients can request to be treated as Eligible Counterparties and Eligible Counterparties can request to be treated as Professional. The level of protections afforded to each Client Categorisation varies substantially, with Professional clients being afforded higher protection than Eligible Counterparties. The levels of protection afforded to each Client Categorisation can be provided upon request.

Where a client requests a different categorisation Atonline has the choice whether to provide services on that basis.

These Terms are intended to comply with the requirements of MiFID.

2. SCOPE AND APPLICATION

These Terms of Business (together with any transaction specific documentation which you have signed with Atonline) sets out the basis on which we will deal in and arrange deals in investments, enter into Transactions and provide such other services as agreed in writing from time to time. These Terms govern

each Transaction entered into or outstanding between us and will be effective from the time that you receive them.

These Terms of Business shall apply to all Transactions contemplated under these Terms. These Terms supersede any previous agreement between us on the same subject matter and takes effect when you signify your acceptance of these Terms. You acknowledge that you have not relied on or been induced to enter into these Terms by a representation other than those expressly set out in these Terms. We will not be liable to you for a representation other than a fraudulent misrepresentation that is not set out in these Terms. Please retain a copy of the executed Terms for your records.

We are obliged by the Cyprus Rules to comply with certain rules of conduct. However, we assume no greater responsibility or fiduciary duty, other than that imposed by the Cyprus Rules or the express terms herein.

3. APPLICABLE REGULATIONS AND EXCHANGE REQUIREMENTS

These Terms and all Transactions are subject to Applicable Regulations so that:

- (i) if there is any conflict between these Terms and any Applicable Regulations, the latter will prevail

- (iii) we may take or omit to take any action we consider necessary to ensure compliance with any Applicable Regulations
- (iv) all Applicable Regulations and whatever we do or fail to do in order to comply with them will be binding on you and
- (v) such actions that we take or fail to take for the purpose of compliance with any Applicable Regulations shall not render Atonline or any of our directors officers, employees or agents liable.

If an Exchange (or intermediate broker or agent, acting at the direction of, or as a result of action taken by, an Exchange) takes any action which affects a Transaction, then we may take any action which we, in our reasonable discretion, consider desirable to correspond with such action or to mitigate any loss incurred as a result of such action. Any such action shall be binding on you.

Where Atonline passes on or supplies you with any ancillary information on securities or on the issuer of securities or on any other matter (including general recommendations, economic or political commentaries and other commentaries and opinions issued by Atonline or affiliated companies or other third parties), it is designed for information purposes only. It shall not constitute an offer to buy or sell any securities or derivatives, nor to be taken as advice or a recommendation to undertake a transaction in securities or derivatives. You should read carefully any disclosures or disclaimers which appear in such materials.

In the event that Atonline provides ancillary information to you, we shall not be required to ensure that such ancillary information takes into account any research or other recommendations as may be published by Atonline or any Affiliated Company or third parties from time to time, nor of any information known to other areas within Atonline but not known to the Atonline office dealing directly with you. Atonline shall not be obliged to provide you with copies of any such publication either at the same time as it is provided to any Affiliated Company or third parties or at all. Atonline and any Affiliated Company may, subject to the

Cyprus Rules, effect own account transactions in investments, which are or have been the subject of such advice and/or publications, or any related investments. Your attention is also brought to our Conflicts of Interest Policy which is described in Clause 16 below.

5. INVESTMENT OBJECTIVES AND OWN RISK AND MARKET ABUSE AND CONDUCT

It is your sole responsibility to ensure that transactions effected with or through Atonline are in accordance with your investment objectives and comply in all respects with any applicable legal or regulatory restrictions upon you entering into such Transactions.

In asking Atonline to enter into any transaction, you represent that you have been solely responsible for making your own independent appraisal and investigations into the risks of the Transaction. You represent that you have sufficient knowledge and experience to make your own evaluation of the merits and risks of any Transaction. We give you no warranty as to the suitability of the products traded under these Terms and assume no fiduciary duty in our relations with you.

You shall observe the standard of behaviour reasonably expected of persons in your position and not take any step which would cause Atonline to fail to observe the standard of behaviour reasonably expected of persons in our position.

6. TRANSACTIONS NOT ON REGULATED MARKETS OR MULTILATERAL TRADING FACILITIES (MTFs)

Atonline may arrange transactions in circumstances where the relevant transaction is not governed by the rules of an investment exchange or is executed on an exchange that has not been recognised or designated under the Cyprus Rules or the Applicable Regulations. In this event, you may be required to enter into additional documentation in order to effect any such transactions through Atonline.

Atonline may, subject to your express consent, execute your orders or respond to "requests for quotes" (as the term is defined in the Order Execution Policy) for financial instruments which may be admitted to trading on a regulated market or Multilateral Trading Facility (MTF) outside of such regulated market or MTF. Without your consent, certain transactions that you might envisage will not be possible.

7. INSTRUCTIONS

Atonline may act on any instruction which it reasonably believes to have been given on your behalf and shall be under no duty to confirm such instruction. Atonline may assume that any person purporting to give instructions on your behalf is properly authorised, without limitation to do so. Atonline will not be liable for any advice, opinion or recommendation, notwithstanding the conditions for the provision of investment advice outlined in section 4 here above, that it gives and all your orders and instructions will be made in reliance upon your own judgement.

Atonline shall not be liable for any loss, expense, cost or liability (including consequential loss) suffered or incurred by you as a result of instructions being given, or any other communications being made via the Internet or other electronic media. You will be solely responsible for all orders, and for the accuracy of all information, sent via such electronic media using your name or personal identification number.

Atonline shall not be held responsible for delays or inaccuracies in the transmission of any instruction or other information or the execution of orders due to any cause whatsoever beyond the reasonable control of Atonline.

Subject to Clause 19, you shall indemnify Atonline and keep Atonline indemnified against all losses which Atonline may suffer as a result of:

- any error in any instruction given by you; or
- acting on any instruction which is, or which appears to Atonline acting reasonably, to be, from you.

In certain cases applicable to professional clients, if, after instructions are received, Atonline reasonably believes that it is not in your best interests to act upon such instructions, Atonline may defer acting upon those instructions until it is, in Atonline's reasonable opinion under the circumstances, practicable to do so or notify you that Atonline is refusing to act upon such instructions. Atonline shall not be liable for any losses resulting from such deferral or refusal.

Atonline may (but shall not in any circumstances be obliged to) require confirmation (in such form as Atonline may request) of any instruction: which is given orally; if it appears to Atonline that such confirmation is necessary or desirable; or if such instruction is to close an account or remit money due to you.

8. CLIENT FUNDS

For professional clients:

When holding Client funds on your behalf Atonline shall take every possible measure to safeguard the funds against the use of client funds for own account, unless such monies have ceased to be client funds as a result of a repurchase, stock lending or other financial transaction with, or arranged by, Atonline.

On your instructions, we may pass money received from you to a third party (e.g. an exchange, intermediate broker, OTC counterparty or clearing house) to hold or control in order to effect a Transaction through or with that person or to satisfy your obligation to provide collateral (e.g. initial margin requirement) in respect of a Transaction. The exchange, intermediate broker, OTC counterparty or clearing house may not have a separate client transaction account or, where such separate client transaction account is kept, may claim the right to set off or counterclaim against the money held in this account in respect of any sum owed on any other account of Atonline.

Unless otherwise provided in writing, Atonline will not pay interest on any funds transferred to it.

For eligible counterparties:

Money held by Atonline on your behalf will not be subject to the Client funds rules and regulations of the Cyprus Rules.

9. AGGREGATION OF ORDERS

Atonline may combine any of your orders with other orders. Such aggregated trades will be allocated in accordance with the Cyprus Rules and the rules outlined in Atonline's Order Execution Policy, as amended from time to time.. Although orders will only be aggregated where Atonline reasonably believes it to be in the overall best interests of its customers, aggregation may in some cases result in your obtaining a less favourable price than if your orders had been executed separately.

10. EXECUTION OF INSTRUCTIONS

The requirements of the Cyprus Rules in relation to best execution will apply to your dealings with Atonline, subject to the conditions stated in the Order Execution Policy, as amended from time to time. We will execute your instructions in accordance with our Order Execution Policy, a copy of which is available upon request.

When we execute a Transaction for (or with) you we may be engaging in a similar trading for (or with) other clients, our affiliated companies, or for our own account, subject to applicable laws and regulations.

11. CONFIRMATION/CONTRACT NOTES

Upon execution of a Transaction and in accordance with the Cyprus Rules Atonline will confirm the details to you (which confirmation may be in electronic form and have the same legal effect as if served in written hard copy). All contract, confirmations or statements issued by Atonline shall bind the Customer unless a detailed objection is received by Atonline within 24 hours of dispatch.

We will not be obliged to send to you or to your order periodic statements in compliance with the Cyprus Rules in respect of every account, which includes or may include open positions with Atonline. Periodic statements may be less frequent than monthly.

12. CUSTODY

Atonline may provide or arrange with an affiliated company the safe custody for your investments but any such arrangements will require a separate written custody agreement pursuant to Cyprus Rules. Please let us know if you require safe custody.

Unless you explicitly consent to the practise, we shall not enter into arrangements for stock lending transactions through the use of your custody assets where we hold assets on your behalf.

13. FEES AND CHARGES

Atonline's charges for each transaction shall be as agreed or notified to you at its prevailing rates as may be amended from time to time. You will pay any value added tax and such other taxes, duties and fees as are applicable. Any charges due to Atonline plus any applicable taxes, duties or fees shall be paid by you to Atonline as stated in a contract note.

14. ORDERS

Atonline may act as a principal in transactions with you. Alternatively, orders may be passed to other Intermediate Broker(s) (selected at Atonline's discretion). Any such persons may not be regulated by CySEC and any orders may be subject to different terms, conditions and rules. In accordance therewith any regulations for the protection of investors such as the Cyprus Rules may not apply.

15. TRADE REPORTING AND TRANSACTION REPORTING

In certain cases applicable to professional clients, as a CySEC authorised investment firm, we are obliged to publish details concerning transactions in shares admitted to trading on a regulated market but which are transacted away from a regulated market. This obligation is specified in Article 28 of MiFID and you can rely on us fulfilling that reporting obligation. This is our Trade Reporting obligation.

Again, as a CySEC authorised investment firm, we are obliged to make reports to CySEC on a wide variety of transactions in financial instruments as prescribed by the Cyprus Rules. Article 25 of MiFID imposes a similar reporting requirement although the Article is restricted to MiFID financial instruments which are admitted to trading on a regulated market. We warrant to you that we are authorised and regulated by CySEC and that as your broker, you may rely on us doing this Transaction Reporting. Should our regulatory status change, we will notify you promptly of this.

16. CONFLICTS OF INTEREST

By accepting these Terms of Business you agree that Atonline may transact business where there may be a conflict of interest without prior notification to you. Atonline or other persons connected with Atonline may have an interest, relationship or arrangement that is material in relation to any transaction effected under these Terms of Business. Atonline may provide advice and other services to third parties whose interests may be in conflict or competition with your interests. Atonline, other persons connected with Atonline and the employees of any of them may take positions opposite to you or may be in competition with you to acquire the same or a similar position. Notwithstanding the above, Atonline will not give unfair preference to itself or any other person over you and will not be responsible for any loss which may result from such competition.

17. SOFT COMMISSION

In certain cases applicable to professional clients, from time to time, Atonline may enter into arrangements with a third party under which that third party provides benefits designed to improve the standard of Atonline's service and for which Atonline makes no payment, but instead undertakes to place business through that third party. It is our policy in relation to such agreements to ensure that such arrangements operate in the best interest of clients so far as practicable, for example because the arrangements allow access to information or other benefits which would not otherwise be available.

18. INDEMNITY

You shall indemnify Atonline, its employees and agents and keep them indemnified in respect of any costs, claims, damages and expenses (present, future, contingent or otherwise and including reasonable legal fees) which may arise as a result of or in connection with:

- your breach of these Terms of Business or;
- Atonline entering into any transaction under these Terms of Business or otherwise performing its duties or acting on your instructions under these Terms of Business. This indemnity shall survive termination of these Terms of Business.

Neither Atonline nor any third party (whether or not associated with Atonline) shall be liable for any loss, expense, cost or liability (together "Loss") suffered or incurred by you unless such Loss is suffered or incurred as a result of Atonline's wilful default, gross negligence or fraud.

Nothing in these Terms of Business shall oblige Atonline to act in contravention of applicable laws, regulations, directions of authorities or regulators, market customs or practices. You accept that Atonline is entitled to act in accordance with those applicable laws, regulations, directions, customs and practices and shall not be liable to you for the consequences of so doing.

For professional clients: you agree to advise Atonline promptly in writing should your circumstances change and you believe that any aspect of these Terms should no longer apply or that your classification by us as a Professional Client no longer applies to business done with you or for you by us. In such circumstances you have the right to request a different classification in order to benefit from a higher degree of regulatory protection should you require it. Bear in mind that as a matter of policy, Atonline Limited refrains from serving retail clients, as the term is defined in MiFID.

22. CUSTOMER WARRANTIES AND REPRESENTATIONS
